

MAGNUM Business Center in Kaunas, LT

NORDIC Partition System

Elevate your space with the NORDIC internal aluminium partition system. Designed for those who value clean lines, natural light, and structural integrity, NORDIC offers a barely invisible way to divide spaces without sacrificing openness.

Why Choose NORDIC?

- Ultra-Slim Profiles with minimal visual obstruction
- Superior Acoustics with sound insulation
- Smoke Control Version to meet strict fire safety regulations and ensure occupant safety.
- Precision Engineering of high-grade aluminium alloys designed for long-term use.
- Tailored Finishes: RAL colours and various glazing types

Partition System

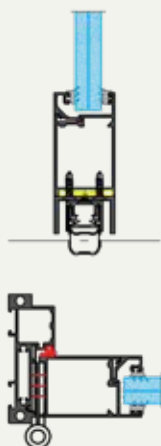

NORDIC

- **Seamless "Butt-Joint" Glazing** eliminates bulky vertical profiles between glass panels. NORDIC creates: **Uninterrupted View**, with a continuous, crystal-clear glass wall effect; **Maximum Transparency** that enhances the flow of natural light throughout the building; **Modern Aesthetics** by a sleek, high-end look perfect for premium interiors.
- **Integrated Door Solutions.** The NORDIC system offers ultimate flexibility with three distinct door leaf options tailored to your functional and aesthetic needs. **Aluminum Framed Glass Doors** give perfect balance of durability and modern design, matching the main partition profiles. **Frameless Glass Doors** for a truly minimalist look that maximizes transparency and elegance. **Solid Wooden Doors** adds warmth, texture, and maximum privacy to your workspace or home.

WOOD
